MPYH VENDOR ACCESS APPLICATION

Since the access to boats is controlled by an electronic gate system, vendors must be accompanied by the boat owner or make an application to the Board of Directors for an access card.

Vendors interested in obtaining an access card must complete this for and return it to the Board of Directors along with the following items:

1. Proof of insurance to include 'personal property of others' and 'Comprehensive Business Liability' coverage of a minimum of \$500,000;
2. Performance/business history – MPYH customer list; and
3. A \$250.00 deposit made payable to Mulberry Point Yacht Harbor.

If a vendor loses their access card, a replacement card will cost \$250.00. When a new card is issued, the code number of the lost card will be negated from the access system. Code sequence of access cards is changed annually. Vendor applications are valid for one year only. Vendors must reapply annually. The deposit is refunded upon surrender of access card.

Access to the docks is granted for service only. Distribution of pamphlets, catalogs, flyers or any other form of solicitation is not allowed. Violation will result in the forfeiture of deposit and access card.
