*Stillwater, Minnesota*

402 North Main Street, Suite 310 • Stillwater, MN 55082 • Phone 651.571.0316 • Email: [info@mpyh.com](mailto:info@mpyh.com) • Website: [www.mpyh.com](http://www.mpyh.com)

**Tom Croce** (A42) begins his third term as Board President working to provide oversight of the Marina Manager and general Board activities. The President will work as a liaison with Stillwater Marina, DNR, and MPYH legal counsel.  
(Dock Representation D93-114)

**Ken Conrad** (E152) will continue in the Vice President position. Ken brings 20+ years of valuable Board experience to assist the Board President. The Vice President will assist the Marina Manager with the day-to-day activities as needed and the Annual Review of the archiving of marina files /documents. Additionally, Ken will take the lead on the Capital Planning & Port Authority Committee.  
(Dock Representation E 135-153,155 & 156)

**Tim Gregerson** (A43) begins his fourth year as Treasurer. Tim is responsible for monthly and annual financial reporting to the Board of Directors, approving employee payroll, annual review & reporting of the tax filing, and Annual Review of the multiple insurance policies that protect the MPYH. The Marina Manager works to assist the Treasurer in organizing the bill payments for Tim's approval, making deposits, and keeping track of various insurance policies. Tim is also working on the Capital Planning Committee to implement reserve savings for the identified special projects.  
(Dock Representation A 50-64)

**Leah Legato** serves as the Secretary and Marina Manager, making her the primary contact for member inquiries and concerns. In addition to supporting the Board of Directors and its committees, she manages slip sales, rentals, and the maintenance department. Leah also handles general office duties and looks forward to her eighth season at MPYH.

**Jorge Arana** (A21), who has been a valuable member of the Board for the past two years, is entering his third year of service. He will continue to lead the By-Law Updating committee, a role in which his legal background as an attorney has been instrumental. His expertise has been essential in scrutinizing the existing by-laws and pinpointing areas where they can be modernized to align with contemporary business practices. In addition to his ongoing leadership on the By-Law Updating committee, Jorge is also eager to contribute his skills and experience to the Capital Planning & Port Authority Committee.  
(Dock Representation A 1-21)

**Dave Lee** (A32) possesses an extensive background in electrical engineering, which he leverages as a valuable member of the Capital Expenditures and Port Authority committee. His current focus involves the ongoing development and improvement of preventative maintenance (PM) instructions and succession planning in the maintenance department. .  
(Dock Representation for A22-A46, 48 & 49)

**Randy Boler** (F115) is currently lending his expertise to the By-Law committee, where he is meticulously reviewing and updating the marina's founding documents. His profound understanding of the marina's infrastructure and operations, stemming from his close involvement in the dock construction project, makes him an indispensable member of both the By-Law committee and the Capital Funding and Port Authority Committee.  
(F Dock Representation)

**Jim Chirpich** (E126), with his extensive experience as an IT Director for a large company, embarks on his first year of service on the Board. He will be an integral part of the Capital Expenditures and Port Authority Committee, where his strong understanding of fiscal management and strategic planning will be instrumental in shaping the long-term planning for the Marina.  
(Dock Representation E117-134)

**Chris Fry** (B74), extensive experience, which includes 12 years on the Gopher State One Call Board where he was responsible for facility Security, makes him an ideal candidate to lead the Security, Safety and Community Committee. His close proximity to the Marina, living just a few minutes away, allows him to readily assist with winter maintenance and other time-sensitive tasks that may arise at the Marina.  
(Dock Representation B 65-79)

**Scott Vrchota** (C87) is entering his third year of service on the Board and will continue his valuable contributions as a member of the Security, Safety, and Community Committee. Scott's strong ties to the Stillwater community and active involvement within the Marina make him an invaluable asset. His extensive experience serving on numerous boards has equipped him with a wealth of knowledge and a specialized skill set that is focused on fostering a safe and secure environment for all marina members. .  
(Dock Representation C 80-91)
